

# Eating Disorders: Early Intervention and Community Treatment

Training by Eating Disorders Victoria

**RACGP QI&CPD Program:  
Category 1, 40 points  
ACRRM: 30 PDP points**

Activity based training including panel of experts and people with a lived experience of an eating disorder.

To comply with RACGP and ACRRM points and allocation, predisposing and reinforcing activities must be completed pre and post attendance at this event.

## Learning outcomes

1. Coordinate care for a person with an eating disorder with specialist services and community providers.
2. Evaluate the signs and symptoms of the different types of eating disorders.
3. Support patient engagement and disclosure for patients with an undiagnosed eating disorder.
4. Implement the use of HEADDS and SCOFF screening tools.
5. Assess the clinical risks associated with eating disorders.
